

Primavera Foundation Donor Privacy Policy

The Primavera Foundation is grateful for your support, generosity, and compassion. We are committed to protecting your privacy when you visit our organization's website. The Primavera Foundation website is a safe place to visit, learn about, donate to, and advocate for social and economic justice and to help to expand upon the work that we perform, together, all across our community.

What information does the Primavera Foundation's website collect?

When you make a donation to the Primavera Foundation, we ask for your personal information, including your name, physical address, email address, telephone number(s), credit card information (if applicable), and any other relevant information you may wish to share (e.g. dedication, employer affiliation, reason for giving, etc.).

We use personal information from our donors to a) process your donation and/or request, b) send a thank you message/receipt for your gift, c) send you updates and information about our programs, services, impacts/outcomes, and organizational needs that we believe may be of interest to you, and d) periodically recognize our donors for their gifts in the "Visionary Gratitude" section of our website. You have the ability to opt out of the latter two options at the time you make your gift, if you are giving through the platform on our website. If you are donating via US mail and you do not wish to receive regular mailings, email, and/or recognition, you may send your request to us, including your full name, physical address, telephone number(s), and email address. Those requests should be sent (either by phone, email, or US mail) to:
